

INTEGRATED QUALITY, ENVIRONMENT, OCCUPATIONAL HEALTH AND SAFETY AND INFORMATION SECURITY POLICY

The Management of **APK Gestión de Aparcamientos, S.A. (APK2)** expresses through this Policy its commitments regarding quality, environmental protection, occupational health and safety and information security.

This Policy applies to parking operations and serves as the reference document for the Integrated Management System, providing the framework for establishing improvement objectives that are appropriate to the organisation's purpose, size and context, including the nature, scale and environmental impacts of its activities, as well as the specific occupational health and safety and information security risks and opportunities it faces.

Through this Integrated Policy, **APK2** Management is committed to:

- Striving for the highest levels of customer satisfaction by consistently meeting customer requirements and seeking to exceed expectations.
- Promoting sustainability, pollution prevention, environmental protection, the effective safeguarding of workers' health and safety, and the security of information managed by the organisation. Complying with all applicable legal, regulatory and contractual requirements, as well as any other commitments voluntarily adopted by the organisation.
- Identifying, assessing and managing, on a prioritised basis, the risks and opportunities arising from parking operations, while providing a framework for establishing objectives aligned with this Integrated Policy and aimed at enhancing organisational performance.
- Providing safe and healthy working conditions to prevent work-related injuries and ill health, eliminating hazards, reducing occupational health and safety risks, and encouraging consultation and participation of workers and their representatives.
- Developing employees' competencies in quality management, environmental management, occupational health and safety, and information security, fostering engagement, accountability and a culture of continuous improvement.
- Continually improving the effectiveness of the Integrated Management System as a means of enhancing **APK2's** performance across all areas covered by this Policy.
- Providing timely information to relevant stakeholders.
- Minimising environmental impacts and integrating climate change considerations into decision-making processes.

APK2 Management leads the execution of this Integrated Policy providing the necessary resources to achieve it.

This Integrated Policy was approved by the **Board of Directors** of **APK2** in May 2026.
